

Free Cat Spay/Neuter Clinics

Are you feeding outdoor cats? Do you need help having them spayed/neutered and vaccinated for free? Animal Balance and the Kauai SPCA can help!

Free Clinics will take place on 9/10, 9/11, 9/12, 9/13, and 9/14
Drop off in Kilauea and pick up the same day.

If you would like assistance with trapping, please contact Elsa at ekohlbus@animalbalance.org for more information. All cats will be spayed or neutered, given the FVRCP vaccination, microchipped and have ¼ of the left ear tip removed as a form of identification.

All services are free and all cats will be returned to their original locations.

Do you have pet cats who need to be spayed or neutered?

Pet cat spay/neuter will also be available for \$25/cat and will include an FVRCP vaccination at no extra charge. Cats will need to arrive at a designated Kilauea location and be picked up there the same day. Please email appts@animalbalance.org to schedule your pet cat's appointment.

Volunteers are needed to help with clinics! Please call Nancy at 808-639-3998 if you can help!
